

Township

ADDRESSING THE NEEDS OF GRAND MARAIS RESIDENTS AND
PLANTING THE SEEDS FOR A BRIGHTER FUTURE.

Burt

What did we do in the 2018-19 fiscal year?

General Fund

- Complete plumbing replacement in Township Office

DPW & Water Fund

- Replaced fencing along Brazel Street across from Park
- Replaced sidewalks along Carlson Street
- Recycling Program
- 10 new airport cones
- Speed control signs
- New benches and tables at Coast Guard Point

Road Fund

- Road projects. Mill Street, Green Space parking area, Newburgh Rd.

Ambulance & Fire Fund

- Paid off RDA loan for ambulance – prepare paperwork for a new one!

Parks & Recreation Fund

- New computer and printer for the Woodland Park Office – along with purchase of Square point of sale system
- Complete rebuild of the Woodland Park west end water system and remodel of the campground offices
- New playground equipment and 10 new picnic tables
- Repairs and maintenance to the Coast Guard Point Fisherman's Memorial and Pier Parking Area
- Schedule replacement of decking on the Boardwalk – New Trex material

Marina Fund

- Engineering fees for marina bathhouse and fish cleaning station project

What do we want to do in the 2019-20 fiscal year?

General Fund

- Increase salaries for elected officials
- Complete remodel exterior of the Township Office building including new roof
- Continued partnership with the Alger county sheriff for additional road patrol*
- Ordinance updates – Zoning
- Continue to enhance the new township web page

Ambulance & Fire Fund

- New ambulance (75/25 loan/grant split with Rural Development)
- New skidder (50/50 with DNR grant funds)

DPW & Water Fund

- New LED street lights
- Downtown sidewalk repair/replacement
- Increase rates for the cemetery internment and plots
- New summer banners downtown
- Purchase/trade in of RTV (DPW Kubota)
- More repairs to the front porch/boardwalk
- Engineering/contractual services to begin plans for for additional downtown parking and replacement of the stairs to the beach, and other improvements to Bayshore Park

Roads

- Paving Cemetery Road
- Increased dust control

Parks & Recreation Fund

- Continued replacement of decking on the boardwalk – Trex material
- Community Center Electrical Upgrade
- Feasibility study/engineering assistance on the possible repurposing of the pole barn
- Replacement of shower doors

Marina Fund

- Marina Bathhouse and Fish Cleaning Station construction to begin Spring 2019 (50/50 DNR Grant)
