

MEMBERS IN ATTENANCE: Lou Lundquist, Phil Bontrager, Nancy Griswold, Larry Shaffer, Christine Lundquist

Meeting primarily to reorganize following resignation of former chairperson. Nancy nominated Larry to chair the committee, supported by Phil. Larry Shaffer agreed to chair the committee, noting he would be looking for assistance from members as he is new to the committee. A unanimous vote was cast in favor of Larry as chairman. Phil nominated Christine as secretary, supported by Nancy. Christine agreed to act as secretary for the committee. A unanimous vote was cast in favor of Chris as secretary.

Nancy indicated she may be gone quite a bit this winter. The committee suggested we ask the township to arrange for her to participate via phone or zoom while she is gone.

The committee needs to get the stats from the recreation plan survey from the Township office and begin the process of putting a draft plan together with Dottie from CUPPAD. Larry indicated he would check with the Township office on this.

The other major project is the review of the zoning ordinance. Chris indicated she would ask Leslie for any data she had started, including the excel spreadsheet she put together.

Nancy asked if others had seen the waiver request that was to be reviewed next month and shared a copy with the committee members to look over. Chris asked if there were any environmental concerns with the proposed garage location due to proximity to Carpenter Creek. That was not addressed on the application.

The meeting adjourned at 6:40 pm.
