Notice of Intent to Apply to USDA Rural Development Rural Utilities Service (RUS)

Burt Township intends to submit an application for federal financial assistance to the USDA Rural Development, Rural Utilities Service for funds to make improvements to the wholesale water system. The improvements project, to be funded by Rural Development, is estimated to cost \$1,500,000.

The proposed project includes replacing old watermain, valves, and hydrants around town to bring them up to Michigan EGLE standards. The existing watermain was installed too shallow and is susceptible to freezing. The project also includes improvements to miscellaneous equipment in the Water Control Building.

The water project has an anticipated construction window of 2022.

Any comments can be made to Sheri Shafer, Township Supervisor, P.O. Box 430, Grand Marais, Michigan 49839, (906)494-2381.

Burt Township is an equal opportunity provider and employer.
