Re: Summer patrols: June-September 2021

I would first of all like to thank Burt Township for the tremendous support you have shown to the Alger County Sheriff's Office, and commend the Township Board and residents for entering into a road patrol agreement with our office. Our Deputies have worked hard in Burt Township and have enjoyed the many positive experiences they had working with the citizens of Burt Township. We have done our very best to keep costs down for the Township, as you will see with the financial report submitted to me by the Alger County Clerk's Office. The patrol statistics I have submitted do not tell the whole story of our time spent in Burt Township this past summer. My Deputies have continually told me positive stories of their time spent with the citizens of Burt Township, and as we continue to move forward on our contract with Burt Township, we will be looking to spend more time walking the business district, and spending more personal encounters with the residents of your township. I would very much like to see a "community policing" concept in Burt Township. Please review the financial activity report, and submit payment to the "County of Alger". The total monies worked/spent were \$8,982.60. Once reviewing the activity report submitted to me by Captain Waldron, if you have any questions, concerns, or ideas please feel free to contact me or my office at any time! As we move forward, our office will be preparing for the snowmobile season for Burt Township, and look forward to working with you as closely as we can.

Respectfully and appreciatively sent,

Sheriff Todd W. Brock
