

**BURT TOWNSHIP
PUBLIC NOTICE OF INTENT**

Burt Township intends to submit an application for federal financial assistance to the USDA Rural Development for funds to make improvements to the water system.

The proposed project includes replacing water mains, valves, hydrants around town, as well as equipment improvements at the water control building.

The water project to be funded by Rural Development is estimated to cost between \$1,750,000 to \$2,250,000.

The water project has an anticipated construction window of 2024-2025.

Burt Township will hold a public meeting at 7 pm on January 9, 2024, to discuss the project and answer any questions.

Sheri Shafer, Township Supervisor

Burt Township is an equal opportunity provider and employer.
