Partisan Section	Proposal Section	County
Presidential	County	Proposal for Renewal and Restoration of Ambulance Services Millage
Democratic Party Presidential Primary	Library Millage Renewal	
President of the United States Vote for not more than 1	Shall the County of Alger be authorized to levy annually a renewal of the previously voted increase in the tax limitation, which expires in 2024, in an amount not to exceed .2950 mill (\$2950 on each \$1,000 of taxable value) against all taxable property within the County of Alger for a period of six (6) years, 2025 to 2030, inclusive, for the purpose of providing funds for library service and all library purposes authorized by law in Alger County? The estimate of the revenue the County will collect in the first year of levy (2025) if the millage is approved and levied by the County is approximately \$142,000. The revenue collected shall be distributed to the Munising School Public Library for the purpose of providing public library service countywide. By law, a portion of the revenue from the millage may be subject to capture by the Alger County Brownfield Redevelopment Authority.	To renew the previous millage authorization of 1.8278 mills as reduced, and restore the reduction of 0.0222 mills, to return to the full 1.85 mills approved in 2020 for ambulance services, shall the limitation on the amount of taxes which may be imposed on taxable property in the County of Alger, Michigan, be renewed and restored by up to 1.85 mills (\$1.85 per \$1,000 of taxable value) for a period of five (5) years, 2025 to 2029, inclusive, for the purpose of providing funds for ambulance services provided by the County of Alger? It is estimated that 1.85 mills would raise approximately \$864,710 when first levied in 2025.
