

Attention: H-58 road closure and detour

Starting on Monday, June 2nd, H-58 will be closed at the Sucker River crossing approximately 6 miles east of Grand Marais, MI.

The Alger County Road Commission is partnering with Michigan DNR, the Great Lakes Fishery Commission, and the U.S. Fish and Wildlife Service to replace the twin culvert structure with a free span bridge.

The construction project is expected to last 12-15 weeks. A detour around the site will be maintained by the Alger and Luce County Road Commissions during the project (see map below). An emergency services detour is being developed and will be maintained by the contractor.

Any questions can be directed towards: Cory Kovacs, Michigan DNR at kovacsc@michigan.gov or 906-287-0816
